The text:

Hi! My name is Diana and I live in London. I like going to my grandma's house. She lives in the countryside. Her house is old and small. It is near the sea. In grandma's house, there are five rooms. The living room is small and nice. There's a sofa, two armchairs, a small table and a TV set. My grandma can play the piano and you can see it in the livingroom, too. A kitchen is next to the living room. Grandma loves cooking, so she has a lot of things in the kitchen: cooker fridge, cupboards etc… .In her bedroom there is a wardrobe by the wall. She has got a large bed and next to it, there is mine. My bed is quite small. The bathroom is near the bedroom .It has a huge bathtub. In the house there is a hall and a mirror on the wall. As you can see, my grandma's house isn't big but it is very lovely and comfortable.
