Dear friends,

Hello, my name is Sami. I am a new student at Opiniatre Middle School. It's in Algiers , Rouiba. Our teacher of English tells us about our duties:
I arrive at school on time. I raise my hand to speak. I respect my teachers and classmates. But I don't eat food in the classroom. I don't chew gum in class. I don't write on the walls and the tables.

My school is very big and beautiful . We have many classrooms, library, science labs, and the canteen. We also have a lovely schoolyard where we play !
