Level: 1MS	***February2026***
The Second Term Test	***Class:***

Text:

Hello My name is Nelia. I study at Opiniâtre Middle School. It is a nice school with many useful facilities. There are several classrooms, a library, science laboratories, a computer room, a playground, and a canteen. The school is clean and well organized.

Classes begin at eight o'clock in the morning. At school, I learn many subjects such as maths, science, English, art, and physical education. I enjoy physics the most because we do experiments that help me understand lessons better.

During lessons, I listen to my teachers and take part in classroom activities. I always bring my school objects like copybooks,ruler and pens. At break time, I spend time playing and talking with my friends in the schoolyard. The headmaster reminds us to respect school rules and keep the school clean.

I love my school and I respect my teachers.

A/ Reading Comprehension(12pts)

Task one :Answer the questions by''Yes'' or ''No'' .3pts
