Third-Term Exam	

Hi, I am Leila. I am 13 years old. Last summer, I went on holiday with my family to the mountains in Algeria. We stayed in a small village near Setif for two weeks. I liked swimming in the river and hiking with my brother every morning. In the evenings, we sat outside and told stories. It was very relaxing. I didn't go to the beach because we were in the mountains. The weather was cool and nice. I really enjoyed that trip!
