First Term English Exam

Text: **Past Vs Present lifestyle**

In the past, the way people lived was very different from the way we live nowadays. In old times, people usually used to live in a simple house with less electric appliances and most of the chores were done by hands. But now, there are more developed items, people can use washing machines, microwaves and even robots.

One hundred years ago, people used to dress up in simple ways, they wore only formal clothes ; for example: in Algeria, women used to wear "El Hayek" and men used to wear "Burnous" or "Kashabia". But today, both of them wear fashionable clothes. People used to consume fresh, natural and homemade healthy food. Today, they eat junk and fast food like: Burgers and Pizza.

Ways of entertainment changed a lot. Children used to play games such as rug dolls, skipping rope, marbles and hide-and-seek. Nowadays, they play chess, monopoly, scrable, video games and smart phone's games.
