Discuss them with your partners and say your opinion about them using the vocabulary learnt before.

The listening script part 4 :

Another value is work. Learn to love work! But even if you have to leave school one day and work, don't stop learning and studying. Read much, and study languages. You will broaden your mind and multiply its content. When I was in prison in Germany during WWII, I read the letters of Maria. There s a to her daughter Marie Antoinette, the last queen of France. If you see that book, 11 remember that I made up my mind at that time to write you this letter about my experiences and give you some helpful advice. Extracts adapted from: "Women of Prague" by W. A. Iggers, Berghahn Books, Oxford, UK, 1995
