Read the following dialogue and do activity one and two:

My next summer holiday plan

I am Andy, and I am glad to share the following with you:

I always enjoy summer. Do you? In summer, I like to relax and forget about school. I don't have to get up early and I can see my friends any time I want.

My holidays are always with my parents. We go to different places in Britain and sometimes abroad. In Britain, I like going to Devon, Somerset and Scotland – but my favourite place of all is Yorkshire. It has lovely countryside and fantastic old buildings. The only problem is the weather! It is usually rainy.

Next summer, I will have two holidays. One will be in Somerset, in a little village by the sea, and another will be in Naples, in Italy. I will go with my parents to Italy – by train! The journey will take twenty-eight hours.
