My favourite food

Hello, my name is Sally. My favourite food is Pizza. I can make delicious Pizza. My dad says they are really good. I don't like cheese. So there is no cheese on my Pizza. I don't like vegetables but Mum always tells me to eat carrots. She says they are healthy, but I hate them. I only eat potatoes. They're my favourite ones. I like them as chips or crisps. When we go to the restaurant, I always love to order roasted chicken with chips and an ice cream. We like drinking coke but I prefer drinking juice.
